RE: ICE FOIA Case Number 2019-ICFO-49677

Dear Mr. Leopold:

This acknowledges receipt of your Freedom of Information Act (FOIA) request to U.S. Immigration and Customs Enforcement (ICE), dated July 24, 2019, and to your request for a waiver of all assessable FOIA fees. Your request was received in this office on July 24, 2019. Specifically, you requested all records, which includes but is not limited to emails, after action reports, reports of investigations, external investigations, search, arrest and seizure records, alien health records, records memorializing repatriation, relating or referring to the following deceased individuals who died while in custody of ICE at the locations listed below, identified in bold: (please see request).

Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Per Section 5.5(a) of the DHS FOIA regulations, 6 C.F.R. Part 5, ICE processes FOIA requests according to their order of receipt. Although ICE's goal is to respond within 20 business days of receipt of your request, the FOIA does permit a 10- day extension of this time period. As your request seeks numerous documents that will necessitate a thorough and wide-ranging search, ICE will invoke a 10-day extension for your request, as allowed by Title 5 U.S.C. § 552(a)(6)(B). If you care to narrow the scope of your request, please contact our office. We will make every effort to comply with your request in a timely manner.

ICE evaluates fee waiver requests under the legal standard set forth above and the fee waiver policy guidance issued by the Department of Justice on April 2, 1987, as incorporated into the Department of Homeland Security's Freedom of Information Act regulations [1]. These regulations set forth six factors to examine in determining whether the applicable legal standard for fee waiver has been met. I have considered the following factors in my evaluation of your request for a fee waiver:

- (1) Whether the subject of the requested records concerns "the operations or activities of the government";
- (2) Whether the disclosure is "likely to contribute" to an understanding of government operations or activities;
- (3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;
- (4) Whether the contribution to public understanding of government operations or activities will be "significant";
- (5) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and
- (6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requestor.

Upon review of your request and a careful consideration of the factors listed above, I have determined to grant your request for a fee waiver.

ICE has queried the appropriate program offices within ICE for responsive records. If any responsive records are located, they will be reviewed for determination of releasability. Please be assured that one of the processors in our office will respond to your request as expeditiously as possible. We appreciate your patience as we proceed with your request.

Your request has been assigned reference number **2019-ICFO-49677**. Please refer to this identifier in any future correspondence. Additionally, you have a right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, [8601 Adelphi Road-OGIS](https://www.archives.gov/ogis), College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.
